## Experience

Boulder County - Temporary Transportation Cad Technician II - Boulder, Co December 2009 - current

- Temporary position, brought in to assist with design and drafting on the Cherryvale Road renovation project, to take the construction documents from 30% completion to 60% completion using Autocad Civil3d 2010. Worked with assemblies, corridors, alignments, profiles, surfaces, & pipes. Also completed redlines and sheet set-up/creation as needed. Worked on the Heatherwood Elementary safe routes to school project.

Independent Contractor - Fort Lupton, Co June 2009 - December 2009

- Contracted with: Jehn Engineering, Arvada, Co, Diversified Consulting Solutions, Inc. - Westminster, Co
- Used Civil3d from my home to create Phase one construction documents for a 22 acre subdivision in Craig, Co. Created assemblies, corridors, proposed grading & surfaces, road alignment & profiles, pipe networks and all drafting/sheet set-ups.

Western Engineering Consultants, Inc., - Engineering Technician - Brighton, Co April 2008 - March 2009

- Designed & drafted primarily commercial & aviation development projects. Created road alignments, profiles, & pipe networks. Completed redlines and sheet set-up/creation as needed.

Jehn Engineering, - Cad Technician - Arvada, Co April 2007 - April 2008

- Assisted in the update from Autocad LDD 2004 to Civil3d 2008, implementing styles and standards. Primarily designed & drafted on residential development projects. Created road alignments & profiles. Completed redlines and sheet set-up/creation as needed.
